# About Integrity

Demonstrates high levels of integrity, is honest, takes responsibility for their actions, is confidential in their dealings, knows the limits of their capabilities, exhibits courage and leads by example.

This section outlines the Integrity competency standards for each of the four professional bands, together with links to relevant CPD learning, qualification units and other learning to help you prioritise and access your skills development.

## The bands

The Professional Map is structured into 4 bands of experience, each describing the different level of impact professionals have in the work they do.

	Band 1	Band 2	Band 3	Band 4
<b>Typical job roles</b>	Front line staff, administrative and entry level roles	First line managers, team leaders, regulated and specialist roles	Middle managers, and senior technical roles	Senior leaders and business owners
<b>Nature of work</b>	Tactical, focusing on the day to day	Operational, with some complexity	Complex, with challenging requirements	Strategic, with a significant level of complexity and challenge
<b>Sphere of influence</b>	Line manager, immediate colleagues and customers/clients	Managers, colleagues, customers/clients and external professionals	Wider range of stakeholders, both internal and external	Senior stakeholders from across the profession, customers, suppliers and regulators
<b>Focus of activity</b>	Deliver immediate and short-term outcomes	Directly create short-term value, contribute to longer-term value	Create medium to long-term value	Create long-term value
<b>Focus of thinking</b>	Gather and use information	Contribute to the thinking and analysis of information	Critically question information and evaluate it to make informed judgements and decisions	Develop evidence-based thinking, using qualitative and quantitative data to shape the future activity
<b>Focus of knowledge</b>	Knowledge of the principles of insurance	Broad understanding of insurance practice	Deeper understanding of the concepts of insurance, with specialism in a functional area	Deep technical knowledge in an area, or an excellent understanding of the broader environment
<b>Where time is spent</b>	Customer/client services, providing information, handling data, following procedures	Issue identification, analysis and evaluation, proposal and delivery of solutions to agreed standards, and within agreed limits	Understanding the wider business context and risk, bringing strands of activity together, innovating	Developing strategies and plans, making complex judgements, considering the organisation and sector position
<b>Breadth of focus</b>	Team	Department	Area or responsibility/Organisation	Organisation/Profession/Wider society

# Band 1

## Competency standards

- I can be relied on to do what I say I will do and am truthful in my business dealings
- I admit when tasks are beyond my level of capability and I seek advice when needed
- I take responsibility for my own performance and behaviour and I own up to my mistakes
- I demonstrate consistency in what I say and do
- I handle personal and business information sensitively and confidentially

## Band 1 learning resources

Member CPD	Assess corporate e-learning*	Training and courses	Qualification units
